

¿What is new in Portasol?

STAGE FOURTH NEW INFRASTRUCTURE: ALTOS DE LA CAZUELA

Gravel road along stage IV is ready. Just after the entrance of La Cazuela Park towards Altos de la Cazuela two water drainages were built as well as culverts.

A new full time residents at Portasol

Welcome to our new full time residents, Jock and Hannah Holden. They moved down in August to their beautiful four bedroom home in lot 14. Congratulations!

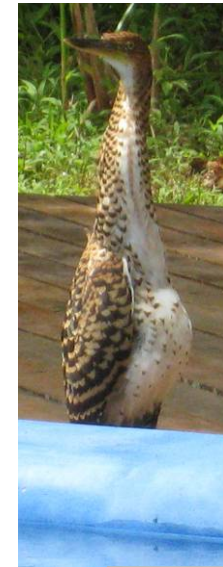

¿What is new in the area?

Three new bridges along the Southern Coastal Highway ready, contract signed between the government and private contractors which will be responsible of paving the "Costanera" before 2010.

Paqueta, Matapalo and Portalón bridges were inaugurated on August 12th, 2008.

Vice Minister of Works and Transportation, Mr. Pedro Castro, Minister, Mrs. Karla González and Mr. Oscar Arias, President of Costa Rica.

Wonders at Portasol!

An amazing Garza Tigre visited Portasol's Villa at the beginning of July 2008.

Weather in

These Days !!!

July, nice weather, sunny days, fantastic sunsets. August, rain appeared, good showers mixed with sun highlights. September, rain continues, not bad for the time of the year, pleasant afternoons and quiet nights.

SOCIAL RESPONSIBILITY

COPAZA, AGUIRRE COMMISSION FOR PEACE, RECEIVED PIMA'S BUILDING

Portal del Pacífico

This building, in old days named PIMA and nowadays *Portal del Pacífico*, located in Quepos, close to the port, was given to COPAZA.

Already is a center for hosting people of the different programs run by COPAZA, constantly will be hosting people of Aguirre county who will be joining cultural activities, workshops and among many others, different courses and learning activities, sports will be also part of it.

Besides that, it will be use as refuge in case of a natural disaster emergencies.

Let us show our new set of house designs conceptual drawings
